

MOMENTUM CHEER PROGRAM AMBASSADOR APPLICATION

We're so excited to announce the opportunity for athletes (age 8+) and parents to apply for a role as a Momentum Program Ambassador!

Anyone who takes up an Ambassador role will represent Momentum for this season; we're looking for team 'mums', class helpers, and care-taking volunteers to help with the upkeep of the gym. The application process will be selective, as we must know that all Ambassadors represent the ethos and values of the program wholeheartedly, and are suitable for the selected role.

Ambassadors will be expected at extra program events such as fundraisers. We will provide mandatory training sessions for Ambassadors and, where suited, may offer the chance to take on extra roles and responsibilities at events and competition days.

Anyone selected to be an Ambassador will receive a 5% discount on their, or their athlete's, monthly training fee bill.

If you have any questions about these roles, please email momentumcheeruk@hotmail.com, and a staff member will be in touch!
